

Dear Valued Sponsor,

The Luck FFA Alumni supports and advocates for the FFA and agricultural education. We are an affiliate of the Wisconsin and National FFA Alumni and Supporters. We strive to provide support to the Luck FFA and Agricultural and Technical Education programs.

Sponsors like you have helped the alumni to award \$16,125 in scholarship money to graduating FFA members over the last 10 years. The Luck FFA Alumni operates an educational field plot consisting of 18 acres of crops. We assist in funding trips to national and state FFA leadership conferences. We also assist the FFA at their events. The alumni donates classroom supplies to the agricultural and technical education classrooms. The Luck FFA Alumni is also a supporter of the Luck community.

We ask you to make a donation this year so we can continue to support the FFA. The Luck FFA Alumni is a 501c3 non-profit organization. This allows your donation to be claimed as a tax deductible expense.

Sincerely,
Luck FFA Alumni
